

# TITANIC: THE ALTERNATE ENDING (Short Script)

## SCENE 1: THE FLOATING DOOR - NIGHT

**LOCATION:** North Atlantic Ocean. The water is a mirror of death, littered with ice and debris.

### CHARACTERS:

- **JACK DAWSON (20s):** Shivering, clinging to the edge of a mahogany door.
- **ROSE DEWITT BUKATER (17):** Lying on top of the door, her breath a white mist.
- **CAPTAIN SMITH (Ghostly presence):** Seen in the distance, refusing to leave the bridge.

**ROSE:** (Whispering) Jack, it's getting quiet. So quiet.

**JACK:** Winning that ticket, Rose, was the best thing that ever happened to me. But I've realized something. Look under the door, Rose.

**ROSE:** What?

**JACK:** The air pocket. This isn't just a door; it's a flotation device from the cargo hold—Model 402-B. It has built-in buoyancy chambers.

## SCENE 2: THE RECOVERY - 20 MINUTES LATER

**JACK:** Rose, move to the left. If we balance our weight at exactly 45 degrees, the surface tension will hold us both.

**ROSE:** (Coughing) It's working, Jack! We're both above the water!

**[A FLARE LIGHTS UP THE SKY. THE CARPATHIA IS SEEN IN THE DISTANCE.]**

**JACK:** See that, Rose? That's the "Starlight Flare." Only the Carpathia uses that specific shade of violet-blue. We aren't going to die here. Not tonight.

## SCENE 3: THE SECRET REVEAL

**ROSE:** When we get to New York, I'm changing my name.

**JACK:** To what?

**ROSE:** Rose Dawson. And we'll take the Heart of the Ocean diamond and hide it in a small wooden box under the floorboards of a house in Chippewa Falls.

**JACK:** How do you know the floorboards?

**ROSE:** I just have a feeling.

[FADE OUT as the Carpathia's lifeboats approach.]
